MAKING THE BLOCKS

1. Join one ecru paisley strip and one dark red texture strip along one long edge to make a strip set. Make four strip sets total. Crosscut the strip sets into (18) 5 1/2" - wide segments and (18) 1 1/2" - wide segments. Repeat using the ecru paisley and green texture strips, the ecru paisley and orange texture strips, and then the ecru paisley and the brown texture strips.
2. Join two matching 1 1/2" - wide segments to make a four-patch unit. Make nine dark red/ecru four-patch units, nine green/ecru four-patch units, nine orange/ecru four-patch units, and nine brown/ecru four-patch units.
3. Join one multicolor paisley square, two dark red/ecru 5 1/2" - wide segments from step 1, and one dark red/ecru four-patch unit, making sure the ecru strips are next to the large square as shown in the photo. Make nine of these blocks. The blocks should measure 7 1/2" square.

4. In the same way, join one multicolor paisley square, two brown/ecru 5 1/2" - wide segments from step 1, and one brown/ecru four-patch unit to make a block. Make nine blocks.
5. Join one red small floral square, two green/ecru 5 1/2" - wide segments from step 1, and one green/ecru four-patch unit to make a block. Make nine blocks.
6. Join one brown small floral square, two orange/ecru 5 1/2" - wide segments from step 1, and one orange/ecru four-patch unit to make a block. Make nine blocks.

ASSEMBLING THE QUILT

7. Refer to the photo for placement guidance. Join the blocks in six rows of six blocks each, alternating and rotating the blocks as shown in the photo. Join the rows to complete the quilt top center.
8. Join the remaining dark red 1 1/2" - wide strips end to end. Measure the length of the quilt and cut two strips to this length. Sew the strips to opposite sides of the quilt top. Measure the width of the quilt top and cut two strips to this length. Sew the strips to the top and bottom of the quilt top for the inner border.
9. Join the large floral 4 1/2" - wide outer-border strips end to end. Measure the length of the quilt and cut two strips to this length. Sew the strips to the sides of the quilt top. Measure the width of the quilt top and cut two strips to this length. Sew the strips to the top and bottom of the quilt top for the outer border.
10. Layer the quilt with batting and backing; baste. Quilt as desired and bind the edges to finish.
