HARVEST TABLE RUNNER

Splendid Harvest table runner by Nancy Mahoney using the *Harvest* and *Luxury Blenders** metallic accent fabric collections • Size: 17" x 41"

Yardage

HARV 210 X (stripe)	1 3/8 yds
HARV 213 Z (basket weave)	3/8 yd (binding)
HARV 214 E (ecru tonal)	1/8 yd
LBLE* 380 YG (olive swirls)	1/4 yd
BACKING Any <i>Harvest</i> fabric	1 1/4 yd
ADDITIONAL MATERIALS:	Plastic template

Cutting

All strips are cut across the width of fabric (wof), unless indicated otherwise.

From HARV 210 X (stripe), fussy cut:

- (2) 6" x 43" lengthwise strips; including a black berry stripe and one basket weave stripe in each strip
- (2) 6" x 19" lengthwise strips; including a black berry stripe and one basket weave stripe in each strip
- (20) triangles; using the triangle template as described in step 1

From HARV 214 E (ecru tonal), cut:

- (10) 3 7/8" squares; cut each square in half diagonally to yield 20 triangles

From LBLE 380 YG (olive swirls), cut:

- (2) 2 1/2" x wof strips; cut into (20) 2 1/2" squares

From the HARV 213 Z (basket weave), cut:

- (4) 2 1/4" x wof binding strips

Assembly

1. To make a triangle template, draw a 3 7/8" square onto template plastic using a permanent marker. Draw a line from corner to corner to make a half-square triangle. Cut out one triangle template, cutting exactly on the drawn lines. On the long side of the triangle template, draw a line about 3/4" from the outer edge to use as a placement guide. Place the triangle template on the stripe fabric, with the long side of the triangle template on the basket weave stripe and the placement line on the red line between the basket weave stripe and the tan berries stripe, and cut out a triangle. Repeat to cut a total of 20 triangles.

2. Pair each triangle from step 1 with an ecru triangle and join them along their long edges to make half-square-triangle units. Make 20 units.

3. Draw a diagonal line from corner to corner on the wrong side of each olive square. Place a marked square on the ecru triangle of a half-square-triangle unit, right sides together. Sew on the marked line and trim away the corner fabric, leaving a 1/4" seam allowance. Make 20 of these units.

4. Lay out four units from step 3, making sure the tan berries are facing toward the center. Sew the units into rows and then join the rows to complete the block. Make 5 blocks.

5. Sew the blocks end to end to make a long row.

6. Using the 6"-wide strips of stripe and your favorite method for adding mitered borders, join the strips to the block row and miter the corners.

7. Layer the table runner with batting and backing; baste. Quilt as desired and bind the edges to finish.
