Making the Blocks

1. Draw a diagonal line from corner to corner on the wrong side of each ecru dots 2 7/8" square. Layer a marked square right sides together with a blue dots, green dots, or pink dots square. Sew 1/4" on each side of the drawn line. Cut the squares apart on the drawn line to make two half-square-triangle units. Make 36 blue/ecru units, 72 green/ecru units, and 54 pink/ecru units.

2. Lay out 18 matching half-square-triangle units, one cream solid 8 1/2" square, and two ecru dots 2 1/2" squares as shown in the photo. Join the pieces into rows and then join the rows to complete the block. The block should be 12 1/2" square. Make two blue blocks, three pink blocks, and four green blocks.

3. Prepare the purse and handle appliqués using the method of your choice. Referring to the photo for placement guidance; position a handle and purse on the center square of each block. Hand or machine stitch around the appliqués using matching thread.

Assembly

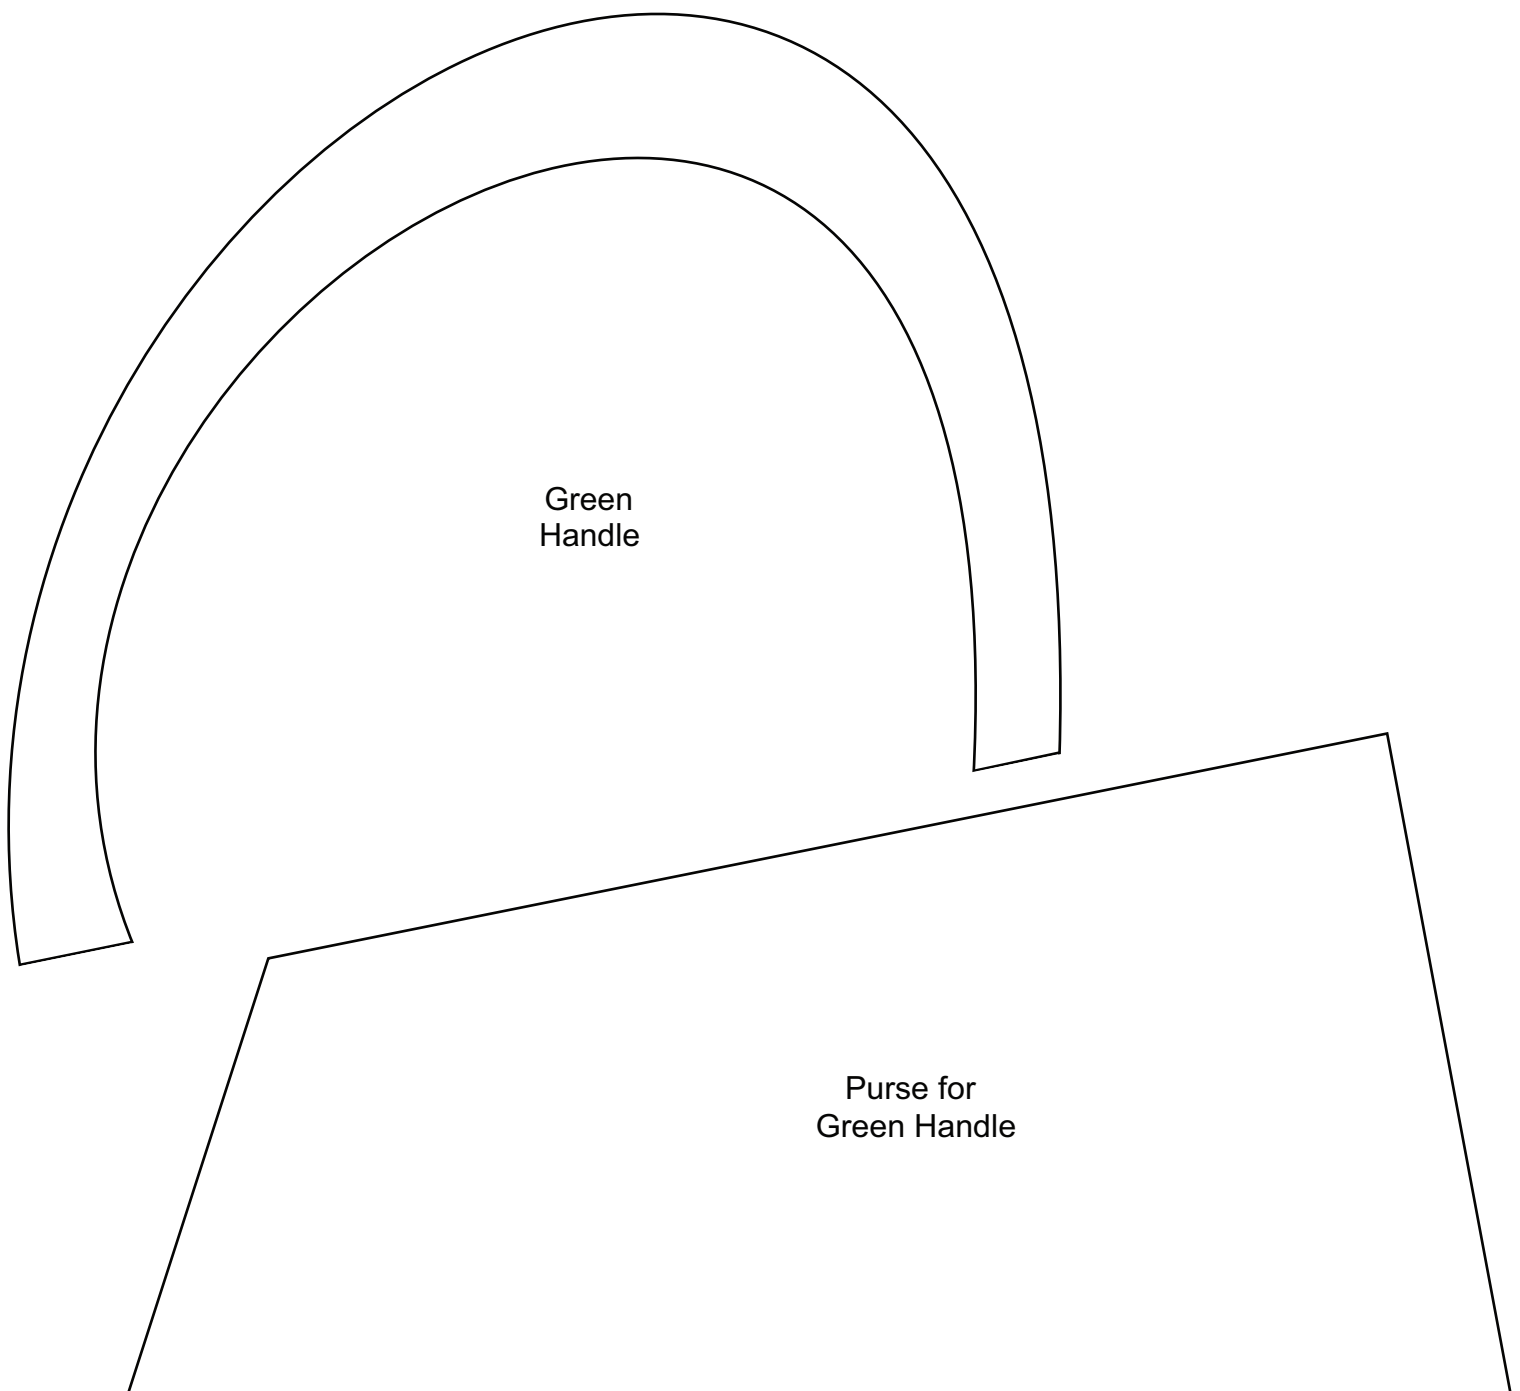

4. Join the blocks in three rows of three blocks each as shown in the photo. Join the rows to complete the quilt center.

5. Measure the length of the quilt top. Trim two pink stripe 1 1/2"-wide strips to this length and sew them to the sides of the quilt top. Measure the width of the quilt top. Trim the remaining two pink stripe 1 1/2"-wide strips to this length and sew them to the top and bottom of the quilt top to complete the inner border.

6. Measure the length of the quilt top. Trim two cream floral strips to this length and sew them to the sides of the quilt top.

7. Join the remaining cream floral strips end to end to make a long strip. Measure the width of the quilt top. Cut two strips to this length and sew them to the top and bottom of the quilt top to complete the outer border.

8. Layer the quilt top with batting and backing; baste. Quilt as desired. Using the cream 2 1/4"-wide strips, bind the edges to finish.
